To: Residents of the 179th Street Road Improvement Benefit District

Re: Road Improvement Benefit District for the unimproved segment of 179th Street between Leavenworth Road and Donahoo Road

Dear Resident,

On September 21, 2015, the Leavenworth County Board of Commissioners accepted a valid benefit district petition for the improvement of a segment of 179th Street between Leavenworth Road and Donahoo Road in Sections 29 and 30, Township 10 South, Range 22 East of Leavenworth County, and authorized the Public Works Department to schedule an informational meeting to discuss project cost estimates, payment options, and the responsibilities of both the County and the district landowners. This informational meeting has been scheduled for:

9:30am on Monday October 19, 2015

**at the Leavenworth County Courthouse, Commissioner's Conference Room,
2nd Floor, 300 Walnut Street, Leavenworth, Kansas**

This informational meeting will also provide an opportunity for the landowners that are both for and against the project to voice their concerns, and allow the residents the opportunity to either reaffirm their commitment or to withdraw from the initial petition. It is important that you either attend this meeting, or provide appropriate feedback in writing. You have received this letter because Leavenworth County records indicate that you are a landowner within the petitioned Road Improvement Benefit District.

A documents folder on the Leavenworth County Website at

<http://www.leavenworthcounty.org/pw/documents/Benefit%20Districts/179th%20Street%20%28Leavenworth%20Road%20to%20Donahoo%20Road%29/> has been created that contains digital copies of information related to the project.

If you have any questions about the project, please feel free to contact either myself or Mickey Schwartzkopf at the Public Works Office, 913-684-0470.

Sincerely,

A handwritten signature in blue ink that reads "Michael W. Spickelmier".

Michael W. Spickelmier
