◆ 207th Street from Highway K-92 to High Prairie Road

Re: **Leavenworth County Participatory Road Program**

Dear Leavenworth County Landowner:

The purpose of this memo is to provide an update regarding the status of the Participatory Road Program for the segment of 207th Street between Highway K-92 and High Prairie Road.

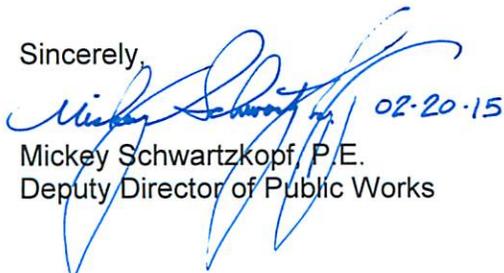

As of the writing of this memo, the engineered construction plans for geometric, surface, and drainage improvements are approximately 85% complete. Before the plans are finalized, and prior to preparation of official easement documents, the Public Works Department would like to extend two opportunities to the affected landowners (you) to review the current plan set, and to discuss the potential impacts to your private property:

Option 1: Call the Public Works office at 913-684-0470 and ask to speak with either Mickey Schwartzkopf or Michael Spickelmier to schedule a one-on-one appointment during normal business hours (8am – 5pm) to discuss the project. Individual appointments will only be scheduled up to 5:00pm on Friday March 6, 2015.

Option 2: Attend the public workshop scheduled for 10:00am on Monday March 9, 2015 in the basement conference room of the Leavenworth County Courthouse.

Landowner sentiment received during the meetings will help determine whether or not this project moves forward. If you have any questions or would like to schedule a one-on-one meeting, please feel free to contact me at your earliest convenience (913-684-0470).

Sincerely,

 02-20-15
Mickey Schwartzkopf, P.E.
Deputy Director of Public Works
