Re: **Leavenworth County Participatory Road Program**

Dear Leavenworth County Landowner:

This letter has been prepared to provide you with an update on the current status of the above-referenced County project candidate.

McIntyre Road from 163rd Street to 170th Street, and 163rd Street from Leo Circle to McIntyre Road. Affidavits for easement dedication were received from all affected landowners on December 20, 2013. Thank you for your participation. This project has been added to the *Participatory Road Program* project candidate queue. For the next phase of this project, Leavenworth County personnel will commence with land survey operations, and the subsequent preparation of engineered construction plans after these activities have been completed for prior scheduled projects.

Proposed road upgrades would consist of geometric improvements, surface improvements, and drainage improvements.

Periodic updates will be sent in the future to keep you informed as to the status of this project. All information regarding the Leavenworth County Participatory Road Program can be viewed online at www.leavenworthcounty.org, then click Government Offices, then click Public Works, then click Documents, then click Participatory Road Program – PRP, and then click the folder or file of your choice. If you have any questions or comments, please feel free to contact me.

Sincerely,

12-20-13
Mickey Schwartzkopf, P.E.
Deputy Director of Public Works
