Re: **Leavenworth County Participatory Road Program**

Dear Leavenworth County Landowner:

This letter has been prepared to provide you with an update on the current status of the above-referenced County project.

147th Street from Hollingsworth Road to Donahoo Road. Affidavits for easement dedication were received from all affected landowners on December 4, 2012. Thank you for your participation. For the next phase of this project, Leavenworth County personnel will commence with land survey operations, and the subsequent preparation of engineered construction plans.

Proposed upgrades to 147th Street would consist of geometric improvements, surface improvements, and drainage improvements. These improvements are *tentatively* scheduled for construction in 2014, contingent upon the official donation of easements by all affected landowners and the availability of project funding.

Periodic updates will be sent in the future to keep you informed as to the status of this project. If you have any questions or comments, please feel free to contact me.

Sincerely,

 01-04-13
Mickey Schwartzkopf, P.E.
Deputy Director of Public Works
