Leavenworth, Kansas 66048-2815

Phone: (913) 684-0470

Fax: (913) 684-0473

October 29, 2013

To: Leavenworth County Property Owners along the Following Road Segment:
◆ 182nd Street from Highway 24/40 (State Avenue) to Evans Road

Re: **Leavenworth County Participatory Road Program**

Dear Leavenworth County Landowner:

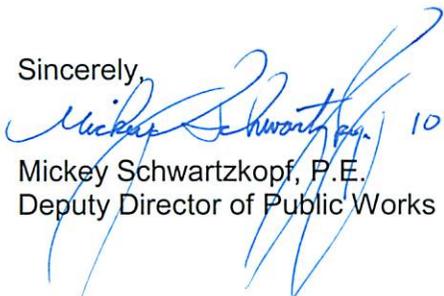

This letter has been prepared to provide you with an update on the current status of the above-referenced Leavenworth County Participatory Road Program road improvement candidate.

182nd Street from Highway 24/40 (State Avenue) to Evans Road. Affidavits for easement dedication were received from all affected landowners on September 24, 2013. Thank you for your participation. For the next phase of this project, Leavenworth County personnel will finalize specific easement description documents and exhibits for each landowner, as well as finalize the project construction plans. Later this year, you will receive an invitation to attend a public meeting (at a time and location yet-to-be-determined) to discuss the easements that will need to be donated to Leavenworth County to complete the project, as well as to discuss the project in general.

Proposed upgrades to 182nd Street would consist of geometric improvements, surface improvements, and drainage improvements. These improvements are *tentatively* scheduled for construction in 2015 or 2016, and are contingent upon the official donation of easements by all affected landowners, the timeframe necessary to properly relocate utilities, and the availability of project funding.

Periodic updates will be sent in the future to keep you informed as to the status of this project. In the meantime, please feel free to contact me if you have any questions or comments.

Sincerely,

 10-29-13

Mickey Schwartzkopf, P.E.
Deputy Director of Public Works
