

Leavenworth County Participatory Road Program

Proposed Project: 182nd Street from State Avenue (Highway 24/40) to Evans Road

Yes, I own land affected by this project, have reviewed the engineered plan set, agree to remove or relocate all affected private improvements (fences, gates, landscaping, etc.), agree to the removal of all affected trees and vegetation, and agree to donate to Leavenworth County all of the easements necessary to construct surface, drainage, and geometric improvements to the above-described public road.

No, I do not want to donate easements to Leavenworth County to construct improvements to the above described public road. (Please list reason on lines provided below.)
